# Frequently Asked Questions

- Can I have one order be 100 copies of Design A and 100 copies of Design B?  
No. The way these industrial printing companies work, the minimum is 200+ copies of the **same** design.
- Does my front and back need to be the same image?  
Nope. As long as you keep in mind that one side will have prism coating while the other side will have matte, you can do whatever you want when it comes to your design.
- I don't have PayPal! Is there any other way for me to send money to you?  
We prefer to be paid via PayPal, but if this is an issue **please e-mail us first**.
- How will you use my art for "promotional purposes?"  
We'll only use your art to promote this service, or advertise our company. We will not make any profit whatsoever. We may slightly alter your art (filters, cropping, artistic product shots, etc.), but will always credit you/the artist.
- Will there be more group orders like this in the future?  
Yes, mostly likely! Join our [mailing list](#) for future projects and services.
- Do I get tracking?  
When you order your products, you will get to chose your shipping options. Standard shipping (available only for packages under 2kg) will take up to 5 weeks with not tracking. CP shipping usually takes 1-2 weeks with tracking. EMS shipping takes around 1 week with tracking.
