Kiss cut Shapes: General rules!

Layers:

- There should be 3 layers in your PSD files.
 - 1) Kiss Cut layer : Use the color **Black** to draw out the shape you want to be cut
 - 2) Image layer: Your sticker design
 - 3) White Masking Layer

Kiss Cuts:

- The shapes should not have sharp edges and should be rounded and simplified compared to your sticker image. Avoid having holes within your shapes. Avoid super complicated shapes.

- It should be at least 2mm away from your image. The printers may be off by 1mm when cutting your stickers. Your kiss cut line/shape should therefore have at least 2mm breathing room for errors. Refer to the images below:

Frequently Asked Questions:

- *How are you getting these made?*

We are printing from a Korean company/factory. Should any problems arise, we can physically visit them to clear any issues.

- *I don't have PayPal! Is there any other way for me to send money to you?*

We prefer to be paid via PayPal, but if this is an issue **please email us first**.

- *Do I get tracking?*

When you order your products, you will get to choose your shipping options. Standard shipping (available only for packages under 2kg) will take up to 5 weeks with not tracking. CP shipping usually takes 1-2 weeks with tracking. EMS shipping takes around 1 week with tracking.

- *How will you use my art for “promotional purposes?”*

We'll only use your art to promote this service, or advertise our company. We will not make any profit whatsoever. We may slightly alter your art (filters, cropping, artistic product shots, etc.), but will always credit you/the artist.

If you're uncomfortable with any of this, just let us know. We'll **never** include your art without your express permission!

- *Will there be more kiss cut sticker sheets group order like this in the future*

It really depends on the demand. But we hope to have them in rotation.
