Frequently Asked Questions:

- *How are you getting these made?*

We are ordering from a korean printing company. We are organizing group orders of 72 designs because that's the minimum numbers that they'll print.

- *Do these have to be a business card?*

Not necessarily. Our poker card sized cards are already slightly bigger than regular business cards. Some people have made them into trading cards, or even tarot. They make great backing cards for other products like enamel pins and acrylic charms. The design is up to you, so long as your image is in the correct format.

- *Does my front and back need to be the same image?*

Nope!

- *Do I get tracking?*

When you order your products, you will get to chose your shipping options. Standard shipping (available only for packages under 2kg) will take up to 5 weeks with not tracking. CP shipping usually takes 1-2 weeks with tracking. EMS shipping takes around 1 week with tracking.

- *How will you use my art for "promotional purposes?"*

We'll only use your art to promote this service, or advertise our company. We will not make any profit whatsoever. We may slightly alter your art (filters, cropping, artistic product shots, etc.), but will always credit you/the artist.

If you're uncomfortable with any of this, just let us know. We'll **never** include your art without your express permission!

- *Will there be more group orders like this in the future?*

Yes, mostly likely! Join our [mailing list](#) for future projects and services.
